# ₹33,000 cr transferred to wheat farmers in Punjab, Haryana

FE BUREAU  
New Delhi, May 10

**AFTER TRANSFERRING MORE** than ₹33,000 crore to bank accounts of farmers in Punjab and Haryana in the ongoing wheat procurement season, the Centre has said the transition to direct benefit transfer (DBT) from the earlier practice of routing it through arhatiyas (commission agents) has been smooth in the two states.

Procurement of wheat has also progressed well despite the second wave of Covid-19. The Centre has reached the target of 21 million tonne (MT) a fortnight before the closure of the official purchase in Punjab

and Haryana, the epicentres of the farmers' agitation.

"Change (to DBT mode) was smoother and beyond our expectations," food secretary Sudhanshu Pandey said on Monday while briefing reporters about procurement of wheat and implementation of the "one nation, one ration card" scheme. He said farmers

were happy receiving the money directly in their accounts, even though there is a lag of 48-72 hours between when they bring the grains and receive the payment.

Wheat procurement in the ongoing season has reached 33.8 MT as of May 9, which is 36% higher than year-ago period and close to 80% of this season's total target. As procurement in Madhya Pradesh has been lower at 9.5 MT compared with Punjab, despite a higher target at 13.5 MT, Pandey said the purchases in MP will continue till June 15. Uttar Pradesh is also on course to achieve its target of 5.5 MT (actual is 2 MT so far), he said.

Punjab, Haryana, UP and MP together comprise over 90% of wheat production.

Speaking about the government's open-ended procurement policy, the food secretary said nearly two-third of the annual procurement of rice and wheat is used under various schemes, including the National Food Security Act (NFSA), leaving a huge surplus every year. "A long-term solution is required to manage the surplus. Discussion is happening among various ministries on this issue keeping in mind an annual outgo of foreign exchange worth ₹1 lakh crore on import of edible oils and pulses," Pandey said.

## Govt rules out possibility of free grains for migrants

**THE GOVERNMENT ON** Monday ruled out the possibility of free foodgrain distribution to migrants, saying there is no panic and no complete national lockdown unlike last year. However, it has started distributing additional free grains again under the Pradhan Mantri Garib Kalyan Anna Yojana for May and June to 80 crore ration cardholders. The government said there is no impact on prices of grain in the open market due to free distribution under the scheme.

"Migrant crisis is not as big as it was last year... It is not a complete national lockdown," food secretary Sudhanshu Pandey said in a virtual press meet. — PTI

## Procurement norms relaxed for two ministries, DRDO

**THE GOVERNMENT HAS** made sweeping changes in the way departments procure medical supplies, including allowing procurement of the same item at different rates due to the Covid-19 outbreak.

The Department of Expenditure has allowed global tenders to be floated for less than ₹200 crore as well. The Department of Expenditure, under the Ministry of Finance, on April 24 issued special instructions relating to relief operations for Covid-19 pandemic and said that the prevailing health emergency on account of the unprecedented surge in Covid-19 cases requires immediate procurement of certain items in

quantities which may not be available with a single supplier and/or within the time frame in which they are needed.

In view of the urgency involved, these instructions, which are applicable to the Department of Pharmaceuticals, Ministry of Health and Family Welfare (including Department of Health Research) and Defence Research and Development Organisation (DRDO), have been issued for any emergent purchases and transportation of medical and other essential supplies related to Covid-19. — PTI
